However, there appears to be a real possibility that at least partial reimbursement would have been received from could this claim have been presented along with all the others immediately after the riots. Under these tircumstances and in view of the time that has elapsed since the loss occurred, and other considerations, the payment of \$125 in full settlement of this claim is approved. In view of the security factors incident to assignment in the Field Station, it is necessary that this payment be made from Confidential Funds.	<b>TO</b>
